## 1. SITUATION

### Who are we? What has happened?

Following the catastrophic events of 2 months ago, we have managed to track down the very officers that were our handlers. They are conducting a recruitment drive on the island **Suursaari**. Our mission is to invade the island, locals will be hostile, and kill 6 CSAT officers. There is a hard timeline of about 3 hours before CSAT reinforcements arrive.

## 2. MISSION

### What are we going to do about it?

#### Mission Critical Objective:

- Find and kill CSAT HVTs.

#### Mission Intel

- Enemy Locations;
- **072 053** Major enemy stronghold, recommend platoon wide attack.
- **073 010** Enemy held town.
- **054 069** Windfarm.
- **044 099** Enemy held town.
- **011 050** Airfield .
- Exact location of targets unknown. Try to use civilians and prisoners to get intel.
- CSAT presence currently very light.
- Expect Patrols and checkpoints.
