

## MISSION BRIEFING

# LAST RESORT GAMING

Operation:	New Year, New Unit 2
Episode:	The Resurgence
Location:	Sangin
Date:	08/01/2021
Time:	19:00 UTC
Password:	PavelGotPromoted

## 1. SITUATION

### Who are we? What has happened?

Several days ago, a British logistical convoy was ambushed and raided by insurgent forces. Among the assets stolen was a Rapier Anti-air System, we believe this was a targeted attack to steal the system. After an exhaustive reconnaissance mission, the system has been located within a heavily fortified insurgent compound deep in insurgent territory in the town of Sangin.

## 2. MISSION

### What are we going to do about it?

#### Mission Critical Objective:

- Recover the Stolen Rapier Anti-air System from enemy main compound
  - Located at 004016

#### Secondary Objectives:

- Dismantle Entrenched enemy positions throughout the Region located at:
- Fire Station - 009021
- Police Station - 007019
- Vanguard Compound - 007016

#### Mission Intel

- There is a high chance the enemy have been able to activate the Rapier System.
- Enemy have access to MANPADs
- Enemy have access to armor and various armed vehicles
- Enemy have access to Mortar Support.
- LRG has Air Superiority
