<b>SUBJECT:</b> JICO SITREP: Beketov Factory Incident 2024-07-09/B	

### MESSAGE:

The Joint Intelligence Committee has provided additional material pertaining to the ongoing situation in the Beketov District.

Please find attached satellite imagery of the Areas of Interest, captured by clandestine Recon Satellite NROL-82: "Last Resort". Images have been processed and tagged by the JIC IMINT Division.

The updated images show rapid expansion of enemy infrastructure in the region. The JIC deems it necessary to intervene on behalf of Friendly Interests sooner than planned, please be ready to deploy within the next 12 hours.

The last supplies, especially a batch of personal protection equipment, should arrive within the day, including the much-requested wet wipes.
