1. SITUATION

Who are we? What has happened?

At a remote Island at the coast of Cuba there have been reports of corruption.
We found out the main army and the militia are working together bleeding the island dry.
At that time we left it at that, But 2 weeks ago a shipment of guns has been hijacked and the crew has most likely been killed.
Then last week an idab party with a large amount of food was taken.
We have reports some might still be alive and held hostage.
So we cant just l
