1. SITUATION

Who are we? What has happened?

Following the oil crisis Russia was forced to push into the Island of Malden and invade it for their oil reserves. This gave a good enough reason for NATO to attempt to push Russia out of Malden, without causing another world war.

Following the recent situation with Meghan Markle and the Royal Family, the Queen has authorised the presence of Von Longen-Schlonghe, the best of the best News reporters who will join our armed forces to show England being in a position of power and strength.

2. MISSION

What are we going to do about it?

You are tasked with pushing the Russians out of Malden and breaking through their Defences.

3. RESOURCES

What equipment do we have?

WildCat HMA2 Transport X 4	Merlin HC3 MERT X 1
A-10 Warthog X 1	FA-18 Super Hornet X 2
Any Commandeered assets	

4. LIMITATIONS

What can't we do?

Civilian casualties are unacceptable and any harm against civilians will be Court Marshalled.
Civilian towns must remain unharmed, CAS won't be allowed to fire on Towns.
Any Captured Officers must be captured and returned to Base for Interrogation.
You must not open fire on any Rebels Forces unless fired upon.
