1. SITUATION

Who are we? What has happened?

an island of the coast of france has been taken by a foreign military army.
After they took the island they let the remaining civilians leave by boat.
We had an apache on standby at the light tower but the operator was on sick leave.
The concerning part is that they keep bringing in more and more armor by boat.

2. MISSION

What are we going to do about it?

Mission Critical Objective:

- secure the harbor
- reclaim the apache

Secondary Objectives:

- eliminate the large concentrations of enemies
- prevent the enemy from getting there communication system online
